

# SCHOOL'S ALMOST OVER by Mr. Saphra

© 2007

School's almost over  
We're nearly done  
Summer is coming  
Let's have some fun  
Let's get together  
With all our friends  
Let's get together  
when the school  
year ends  
Lala lala lala lalaa laa  
laa

Though there  
were hard times  
We always knew  
Who we could turn to  
And make it through  
Then pull together  
With all your friends  
Let's get together  
when the school  
year ends  
Lala lala lala lalaa laa  
laa

So don't you cry, now  
No, don't be sad  
Don't say  
good by, now  
We'll all be glad  
When we're together  
With all our friends  
Let's get together  
when the school  
year ends  
Let's get together  
when the school  
year ends
