

Mother's Day Song #2  
by Edna Strauss

Mother does so much for us  
Every day of the year  
I'd love to surprise her  
Now that  
Mother's Day  
is here  
I'll make  
a pretty card and  
We'll give Mom  
a day of rest  
We won't  
forget  
the flowers  
For Mom  
deserves  
the best

Thank You for Being  
Our Mother  
by Mr. Saphra

Mother's Day is very near  
We're getting a chance to tell  
you  
Getting a chance for you  
to hear  
Thank you for being  
our mother

*Thank you now,  
for all you've done  
All the happiness, all the fun*

Thank you now  
for always being  
Our Mother,  
dear
