

# GO OUT AND VOTE

© D. Saphra 1998

What would you think  
If you threw a party  
And nobody came?  
Would you stand there  
Moping all alone?  
Would you wonder who's to blame?  
Now, here's an invitation  
To the biggest bash in the nation  
November Third's Election Day  
So let's all have a ball:

Go out and vote  
Go out and vote  
Grab your hat,  
Put on your coat  
Go out and vote  
You may think that  
Ev'ry little thing's O.K.  
Or you may think there's no hope  
Forget all that  
Just grab your hat  
And go out and vote!
