

I HAD A LITTLE OVERCOAT

Traditional Yiddish Song

1. I had a little [overcoat] as old as could be
Tra lala lala lalala Tra la la
And what I'd ever do with it
I just could not see
Tra lala lala lalala Tra la la

So..... I..... thought a little while
And made myself a [jacket]
in the very latest style
Tra lala lala lala
Tra lala lala lala
Made a jacket in the very latest style

2. I had a little [jacket].....
And made myself a [vest]

3. I had a little [vest].....
And made myself a [scarf]

4. I had a little [scarf].....
And made myself a [necktie]

5. I had a little [necktie].....
And made myself a [handkerchief]

6. I had a little [handkerchief].....
And made myself a [button]

7. I had a little [button].....
And made myself a [nothing]

8. I had a little [nothing]....
And made myself a [song]
