

### Reduce, Reuse Recycle – 3 R Song

by Jack Johnson

Three, that's the magic number  
Yes it is, it's a magic number  
Two times three is six  
And three times six is eighteen  
And the eighteenth letter  
in the alphabet is "R"  
There's three R's  
we're going to talk about today

And if you're brother or your  
sister's got some cool clothes  
Try them on before you  
buy some more of those,  
**REUSE**

You've got to learn to reuse  
And if the first two "R's"  
don't work out  
And you've got to make some trash  
Don't throw it out, **RECYCLE**  
You've got learn to recycle

You've got to learn to  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**

You've got to learn to  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**  
**REDUCE, REUSE, RECYCLE**

If you're going to the market  
to buy some juice  
Bring some bags and you learn  
to **REDUCE** your waste  
Got to reduce your waste

'Cause three that's the magic number  
Yes it is, it's a magic number

### Reduce, Reuse Recycle – 3 R Song
