

## Father's Day Round

words by Mr. Saphra

If I could tell my dad how well  
We remember and love him  
You'd hear a hear a song  
No one's yet sung  
Helped right along  
By my own tongue

Although my dear  
Dad isn't here  
We're always  
Thinking of him  
He guides my will  
Though we're apart  
My father still  
Lives in my heart
