A peaceful person

(a peaceful person) [Echo]

Doctor Martin Luther King, Junior

Hate won't help us better our world

But not all people know yet

A humble man (a humble man) [Echoes]

But proud to be one (but proud to be one)

Doctor Martin Luther King, Junior

Love has helped us better our world

But we've got far to go yet ...

May Martin's work be done

A mighty man (a mighty man) [Echoes]

A peaceful person (a peaceful person)

Doctor Martin Luther King, Junior

Love has helped us (love has helped us)

Better our world [Fast echo]

But we've got far to go yet

May Martin's work be done

The Reverend Doctor Martin Luther King

(The Reverend Dr. Martin Luther King)

The Reverend Doctor Martin Luther King

(The Reverend Doctor Martin!)

The Reverend Doctor

Martin Luther King, Junior!
