

Mother's Day Song #2
by Edna Strauss

Mother does so much for us
Every day of the year
I'd love to surprise her
Now that
Mother's Day
is here
I'll make
a pretty card and
We'll give Mom
a day of rest
We won't
forget
the flowers
For Mom
deserves
the best

Happy
Mother's
Day!

Thank You for Being
Our Mother
by Mr. Saphra

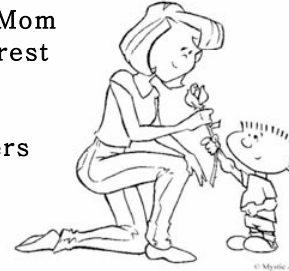

Mother's Day is very near
We're getting a chance to tell
you
Getting a chance for you
to hear
Thank you for being
our mother
*Thank you now,
for all you've done
All the happiness, all the fun*
Thank you now
for always being
Our Mother,
dear
