

SCHOOL'S ALMOST OVER

by Mr. Saphra © 2007

School's almost over
We're nearly done
Summer is coming
Let's have some fun
Let's get together
With all our friends
Let's get together when
the school year ends
Lala lala lala lalaa laa laa

Though there were hard times
We always knew
Who we could turn to
And make it through
Then pull together
With all your friends
Let's get together when
the school year ends
Lala lala lala lalaa laa laa

So don't you cry now
No don't be sad
Don't say good by now
We'll all be glad
When we're together
With all our friends
Let's get together when the
school year ends
Let's get together when the
school year ends☀

WILD MOUNTAIN THYME

Traditional Irish Folksong

Oh, the summertime
is coming,
And the trees are sweetly
blooming,
And the wild
mountain thyme
Grows around the
blooming heather

Chorus:

**Will you go,laddie, go?
And we'll all go together
To pick wild
mountain thyme
All around
the blooming heather
Will you go, laddie go?**

I will build my love a
bower
By yon crystal flowing
fountain
And on it I will pile
All the flowers of the
mountain.

Chorus

If my true love will not go
I can surely find another
Where the wild
mountain thyme
Grows around the
blooming heather.

Chorus : ||

(Oh, the summertime is
coming... **Chorus**)
