Whose head's on a penny?
Abraham Lincoln, Abraham Lincoln!
Whose head's on a penny?
Abraham Lincoln's there

The president who led us through
The Civil War that cut our country
North and South, we fought it out
So slaves could be set free

We remember who he was:
Honest Old Abraham Lincoln
For every time we spend a penny
"Honest Old Abe" is there

Whose head's on a quarter?
George Washington,
George Washington!
Whose head's on a quarter?
George Washington is there

The father of our country
The first president we ever had
A general who helped win
independence
For our land

We remember who he was:
General George Washington
For every time we spend a quarter
General George is there

Whose head's on one dollar? ...

Whose head's on five dollars? ...

For every time we spend our money ...
Those presidents both are there!
