

WASH YOUR HANDS © D.Saphra 1997

Wash your hands, wash your hands
Make those germs all go away
Wash your hands, wash your hands
Do it every day

There once was a little girl
Who forgot to wash her hands
Now she's coughing [cough, cough]
Now she's sneezing [a-choo!]
Why did it have to be this way?
You know what to say: **[Chorus]**

There once was a little boy
Who didn't want to wash his hands
Now instead of putting on his coat
He's stuck in bed with a bad sore throat
Everyone take note: **[Chorus]**

Now we're such happy children
We always wash our hands
Learn this lesson
Learn it quick
If you don't want to get sick
It's such a simple trick **[Chorus]**
