

A MIGHTY MAN

A mighty man (a mighty man)
A peaceful person (a peaceful person)
Doctor Martin Luther King, Junior
Hate won't help us...better our world
But not all people know yet

A humble man (a humble man)
But proud to be one (but proud to be one)
Doctor Martin Luther King, Junior
Love has helped us...better our world
But we've got far to go yet ...
May Martin's work be done

||: And Martin's work can be done by anyone
That's kind and bold enough to do it
The love of justice never can be brought down
As long as souls survive to renew it [REPEAT one time] :||
