

The Twelve Days of Vacation

On the first day of vacation my mother said to me

1. Get up it's a quarter past three
2. Have you any homework?
3. Please don't shout!
4. Go clean up your room.
5. NO MORE T.V.
6. Please don't hit your sister.
7. When's vacation over?
8. That's enough candy.
9. Stop playing with your game-boy.
10. Don't sit on your brother.
11. Get down off the table.
12. Go stay with your grandma.
