Two Farmers

Roberto Luna and his neighbor Ted Wong were tomato farmers. They always watered their crops carefully and kept weeds out of their fields. At the end of every summer, Roberto's crop won first prize at the state fair. Ted had wanted to win that prize for a long time. This year he decided to try some new ways to grow tomatoes. He planted his crop inside a greenhouse to give the plants lots of heat. When the tomatoes were ripe, he harvested them by hand instead of with a machine. It took a lot of work, but Ted's crop finally won first prize at the fair.
